CC

Emmanuel Lopez, Paul Alexander Serrano, Gamaliel Compean, is and was at all times mentioned him in a prisoner of the state of Texas in the custody of the Texas department of corrections. He is currently in Hidalgo County Detention in Edinburg, TX.

During the incarceration of Emmanuel, Paul, Gamaliel at HCDC there were elections for Governor of Texas. During their incarcerations Plaintiffs have endured many civil rights violations such as hunger, medical negligence, medical malpractice by MA, religious request denied, request denied to see actual MD to get meds prescribed for pain, days of wait to see a psychiatrist for mental health issues, MA releasing X-ray or bloodwork results a physician job. MA authorizing Diet changes as well as Sgts, when they are not dietitians or nutritionists. They have endured alot of inhumane treatments, injustices, but to be deprived to do the most important thing to do as a United States Citizen is to vote.

It is a natural born right that all Americans have, that all teenagers look forward to and get butterflies in their stomachs for. What every US Citizen looks forward to picking their elected representatives for them to win office. The Right that every American Citizen gets to enjoy and Be Proud of. Every Citizen except those at Hidalgo County Detention Center.

The plaintiffs are very appalled ~~that~~ by the lack of action by HCTC and to get the inmates which are U.S. Citizens and its their birth given Right to vote not only in city elections but as well as Presidential elections. Elections that every Citizen looks forward to electing their representatives in office. No where in the law does it state that prisoners vote do not count or that prisoners are not allowed to vote due to incarceration.

According to §§ 1308 Civil and criminal sanctions whoever, shall deprive or attempt to deprive any person of any right secured by sections of this title or shall violate section 6307 (4) shall be fined \$5,000 or imprisoned not more than 5 years or both §§ 10311 Nothing shall construe or, impair or otherwise adversely affect the Right to vote of any person to vote under laws of any State. HCTC didn't even attempt to make elections in house. Sad a Detention Center full of government officers whom don't honor their Country.

CC1

The right to vote as I stated before is a birth given right of a Citizen of The United States. Taking said right violates the basic human rights, The Bill of Rights & Amendments to the Constitution, for "We The People" not against the people. Is the city of edinburg above the law? is the County of Hidalgo? Why has Hidalgo County Detention Center & all law enforcement agencies in its jurisdiction not allowing prisoners under their supervision to vote? Are our votes not valid? Are we not Citizens of this great country?

The plaintiff has no plain, adequate, or complete remedy at law to redress the wrongs described herein. Plaintiff has been and will continue to be irreparably injured by the conduct of the defendants unless this court grants the declaratory and injunctive relief which plaintiff seeks.

Plaintiff now respectfully prays that this court and honorable judge grant plaintiff judgment in his favor of 80,000,000 dollars. for what plaintiff suffered in the hands of these government officers and HEDC can never be excused. Also by granting judgment you will be helping all defendants not to repeat any of the above to any more prisoners.

Respectfully & Sincerely,  
 Emmanuel Lopez Emmanuel Lopez
